

About Dr Bhavin Patel

Bhavin qualified from St Bartholomew's and The Royal London School of Medicine and Dentistry, University of London in 2006. He graduated with Distinctions in every part of the BDS undergraduate course obtaining Honours and being the Proxime accessit to the prestigious University of London Gold Medal.

After completing Vocational Training here, he obtained a Senior House Officer post in Oral and Maxillo-Facial Surgery at Bart's Health Trust Hospitals. During these rotations he performed complex surgical dentistry under local and general anaesthesia in elective and accident and emergency situations. Bhavin also gained a Speciality Doctor position in Oral & Maxillo-Facial Surgery which he did part time when coming back into general practice where he operated and supervised junior members of the team at Whipps Cross Hospital.

Bhavin furthered his training as a Senior House Officer in Restorative dentistry at The Royal London Dental Hospital. This post furthered his experience and skill in endodontics (root canal therapy), prosthodontics (crown, bridges and dentures), periodontology (gum treatment), Oral medicine and Emergency dental care. During this rotation he also provided treatment under sedation for special needs and dental phobic patients.

Bhavin has achieved the academic Diploma for Membership of the Joint Dental Faculties of The Royal College of Surgeons of England and went on to be a lecturer for the examination and honorary clinical lecturer at The Royal London.

He has carried out various courses here and internationally on Implant dentistry and takes referrals for more complex surgical procedures. Bhavin's interest is in Cosmetic and General Dentistry as well as surgical and Implant therapy. He has been with our team here for 15 years now and is with us Wednesdays and Thursdays.
